THEY HAVE CAUSED US TO BE BETTER

With genuine respect and sincere gratitude for their gifts of service and inspiration to the generations of students of Wicomico Senior High School, we the Class of 1970 dedicate this yearbook to two outstanding teachers, Mr. Dalton B. Howard and Mr. J. Morris Jones. Occasionally an event is so fortunately right and proper that it seems entirely inevitable. Such an action is this dedication of a Wi Hi yearbook to Mr. Howard and Mr. Jones.

Many students have heard, even if they have no adequate concept of the significance of the fact, that Mr. Howard and Mr. Jones have taught at Wi Hi since 1928. Some have heard their parents tell of the good old days when they too took physics from Mr. Howard and POD from Mr. Jones. Even the best informed, however, of the current student body would have difficulty in assessing the true value of the contributions of these two men to this school and this community, for their lives have touched young people in their formative years for more than four decades; and each man in his own way has exerted deep and lasting influence. Those of this present year who have sat in Mr. Howard's and Mr. Jones's classes should be especially thankful in the knowledge that they have shared in the fruits of accumulated wisdom and insight which have helped literally thousands of others who have passed through Wi Hi before them.

It is especially fitting that this yearbook is dedicated to the two men more responsible than any others for the development of the TOM-TOM, Mr. Jones having served not only as business adviser ever since the yearbook was re-established after a lapse during the Depression but as editorial adviser a good part of that time, and Mr. Howard having served until recently as photographer and photography adviser. In addition, Mr. Howard's daughter served as student editor in 1958, his son as student editor in 1960, Mr. Jones's daughter as student editor in 1961, and his son as photography editor in 1962. Those who know Mr. Dalton B. Howard and Mr. J. Morris Jones well know how much Wi Hi and its TOM-TOM have meant to them.

Faculty members who have worked with Mr. Jones and Mr. Howard think of them, because of their long and deep friendship, as a team, although we appreciate the unique personality and the individuality of each one. We who have been privileged to be a part of the same faculty with Mr. Dalton B. Howard and Mr. J. Morris Jones join the Class of 1970 in thanking them for what they mean to Wi Hi and to us and wishing them the richest of continued blessings.

A special tribute, however, in addition to the dedication of the TOM-TOM to Mr. Howard and Mr. Jones, is in order for one who has served Wi Hi, its students, and its alumni devotedly in a unique capacity. Miss Hester A. Farlow has served as counselor ever since Wicomico Senior High has been in its present location. Her interest in the future education, vocational employment, and personal adjustment of all Wi Hi students has led her to give countless hours to others when her own physical condition has made her concentrated effort difficult and painful. Only her remarkable spirit and her outstanding concern for young people have driven her to continue to work when it would have been easy to justify stopping. In spite of her own illness, Miss Farlow has counseled students concerning college, has helped them find jobs, and has always encouraged them to make wise personal choices. Her knowledge of the traditions of our school and her attention to the details of our ceremonies have added dignity and meaning to our proms, our commencements, and other memorable events. In often thankless tasks, Miss Farlow has shown again and again her mastery of the art of making things smoother and better for others.

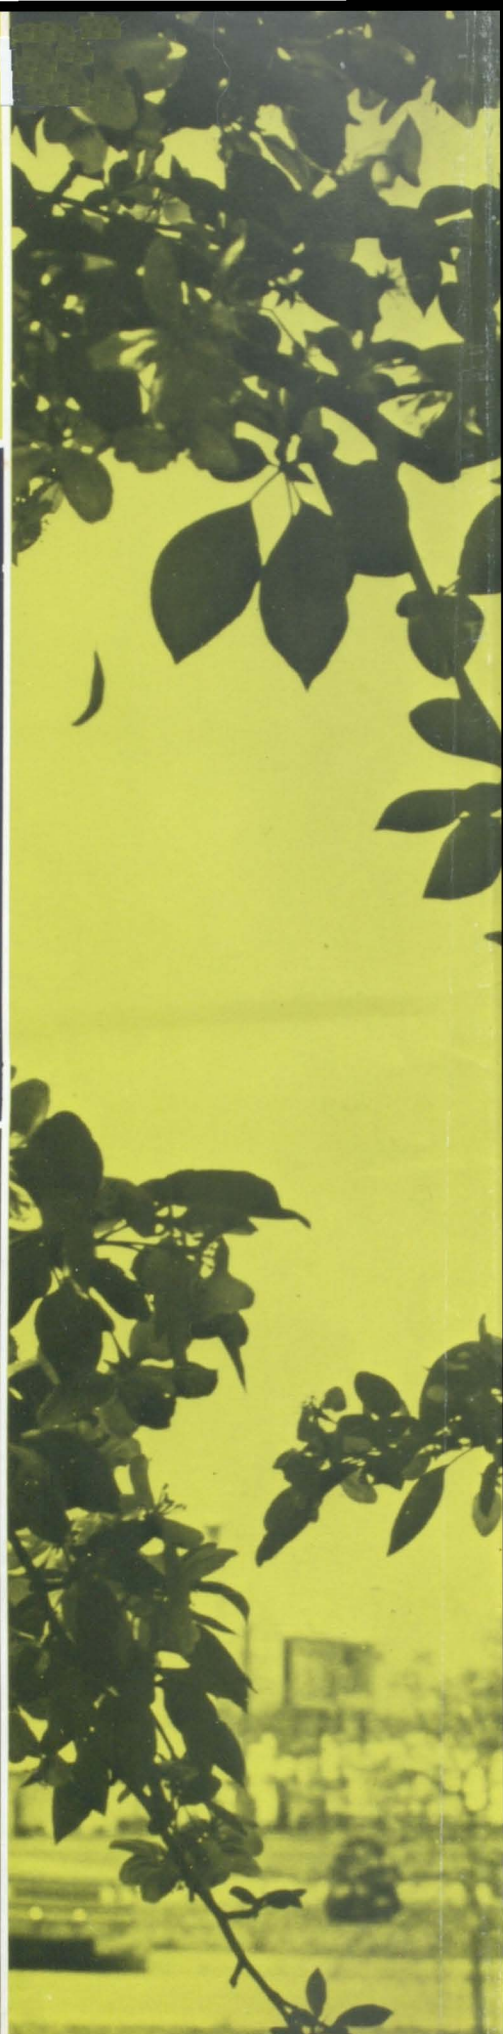

To work with Miss Hester Farlow has been to be inspired by her courage and challenged by her skill. Few people have her ability to work so efficiently while they are in pain; even fewer have demonstrated her amazing recuperative powers. All of us at Wi Hi will miss her after her retirement, and we pray for her strength, health, and happiness in the years ahead.

Wi Hi's Student Government Is Just And Fair

B.

C.

STUDENT GOVERNMENT is geared to pace the changes in high school activities. Student leadership cannot be antiquated unless it is meant to be ineffective. Student Government is one branch of politics in which the individual's vote is still very important. Elections are often decided by ten or less votes. Due to the short term of office for representatives, they must prove their individual qualifications, abilities, and sincerity. Students depend upon student government representatives to present their views, complaints, and solutions to faculty and administration. Representatives must be capable.

The Key Club Listens And Hopes For The Best

THE KEY CLUB is a service organization that helps the school and community and is sponsored by the Kiwanis Club. The first project was a bundle drive, and the members collected clothing for the Salvation Army.

The club has helped the school by collecting tickets at football and basketball games and by donating ten chess sets to the Chess Club. The major projects of the club were collecting pennies for UNICEF, sponsoring a driver's safety assembly, collecting twenty pounds of Kool-Aid, Lifesavers, and chewing gum for soldiers in Vietnam, working at Deer's Head Hospital, putting on a "Lock Your Car" campaign, and holding a car wash. Christmas was a busy season. The members manned the Salvation Army kettles in the Mall, the Plaza, and at Ames. Joining the Key Kadetts, the members sang Christmas carols at the Nursing Home and helped to decorate the Christmas tree in the Mall. One member dressed as Santa and took gifts to retarded children.

While Ideas Are Suggested By The Key Kadetts

A.

B.

THE KEY KADETTs lived up to their motto: "WE SERVE." Service began when the Key Kadetts sang Christmas carols at all the nursing homes in the Salisbury area. The girls decorated a booth at Deer's Head Hospital for a carnival there. They decorated the Mall Christmas tree, rang the Salvation Army bell, sold anatoons for the benefit of the Leukemia Society, and made money for the classes by shining shoes at the Mall. They also served banquets: the Teachers' Association, FFA, and the Evaluation.

From France Came Bruno With AFS

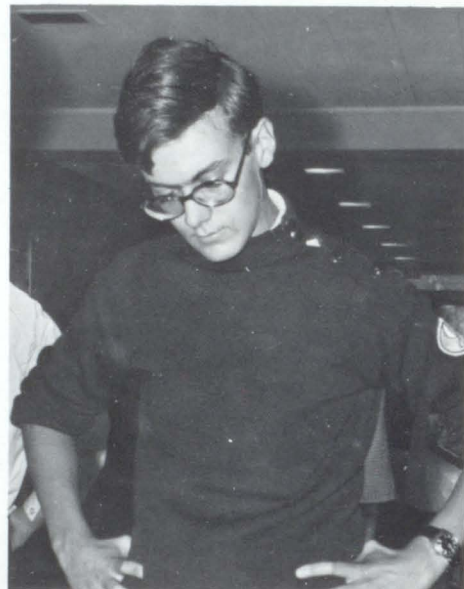

THE AFS CLUB promotes understanding among the nations of the world. American Field Service provides a link between the youth of different countries. Each year the club centers many of its activities around the exchange students visiting Wi Hi. This year, Bruno de la Guerrande from Nantes, France, was the visiting exchange student. Two from Wi Hi had the opportunity to study abroad. Florence Weatherly spent two months in Germany, and Steve Bers went to South Africa during the school year.

The club participated in both regional and state meetings and held a teach-in, conducted by a social worker to help youth comprehend the problems of society and contribute to their solutions.

THE FUTURE TEACHERS OF AMERICA aids teachers and other school officials. Jody Proffitt, president, directed the club's activities. Christine Johnson, the program chairman, planned many interesting meetings. Bruno de la Guerrande and Florence Weatherly related their school experiences abroad. Deborah Haemel, the secretary-treasurer, recorded each meeting's affairs. The point secretary, Wanda Robinson, recorded points earned by each student. Helping teachers earns points for students. Pins and emblems are awarded to those who have earned enough points. Mr. Johnson, the adviser, keeps the club's members aware of a teacher's responsibility.

Celebrating its 32nd anniversary, the WI HI NEWS continues to inform students on current school issues. Under the leadership of faculty adviser, Mrs. Ruark, eight issues were published this year.

The staff published a six-page paper approximately once a month. The front page emphasized future Wi Hi events. The feature pages, which comprised one-half of the paper, were filled mostly with surveys, pictures, and feature articles. The sports page provided a comprehensive review of Wi Hi sports activities.

THE WI HI BAND attacked the 1969-70 school year under the direction of Mr. Thomas Zimmerman. He ably lead the band through the fast-paced marching season and transformed a "loud, boisterous marching band" into an "accomplished concert orchestra."

There were some difficulties, however. On the night of the first concert performance, the band members were tense and uneasy. Mr. Zimmerman stepped up to the podium, unbuttoned his coat, and raised his arms. A sigh of relief engulfed the band as they saw a card saying, "RELAX" pinned to Mr. Zimmerman's tie. Nervousness abdicated to relaxed, controlled performance.

Remember the joint concert at Christmas time
with Bennett in the Civic Center? The members
of the PTA who were present heard such features
as the OVERTURE to Handel's Messiah and Berlin's
WHITE CHRISTMAS. Also remember the excellent
rating that the band received at the District Band
Festival, held at Pocomoke City, Maryland. And
remember one of the highlights of the entire year:
The Annual Spring Concert, held in April at
Wicomico Junior High School.

Sing A Song Of Glad Rejoice

Wi Hi's CONCERT CHOIR, under the direction of Miss Vincent, participated in numerous school and civic programs throughout the school year. The choir and the chorus jointly presented a Christmas program to the students. Among the selections was an original number composed by Wanda Robinson. The choir also caroled in the Civic Center and the Downtown Plaza. Other programs included singing at the County Council Banquet, performing a Spring Concert, and singing for the parting seniors at their traditional service just before graduation.

Southern High School hosted the five-hour rehearsals each day. The 1969 Maryland All-State Chorus was directed by Mr. Vito Mason, director of choirs at the American University in Washington, D.C.

Raise The Roof With Every Voice

THE CHORUS is smaller than the Concert Choir. The activities, however, required long and hard practice. The Chorus contributed three songs to the Christmas assembly: "Little Drummer Boy," "Noel," and "Good Christian Men Rejoice." Other songs that the Chorus enjoyed were "Somewhere," "Go Way From My Window," and "Yankee-doodle."

Miss Byrd Leaves Memories In Many Ways

Wi Hi spirit was promoted as Mr. Prillaman, the Wi Hi Indian chief, narrated the Wi Hi - Bennett Pep Rally. Miss Byrd, the J.M.B. Clipper's mother, and Sharon Walston, the Wi Hi Indian's mother, helped train their sons for the Big Day. Timmy Knapp and Carlton Mack played the parts of the sons. The training season ended in a free for all between the two mothers.

Winter Holds Thoughts Of Those Special Days

Enjoyable events came often. Juniors flock to receive their cherished class rings; Congressman Rogers Morton arrives to address the students; Seniors clamor to take their SAT's; everyone gathers to celebrate Christmas; and Wi Hi and Bennett forget their rivalries to enjoy a combination dance at the Civic Center.

Among Dancing Couples And Candle- Light Gleam

THE STUDENT COUNCIL worked hard preparing an enjoyable evening for the Winter Carnival and they were rewarded by a successful dance. The snowflake setting enhanced the romantic mood for the Winter Carnival couples. The Elobo furnished the music for dancing. Also, the Thespian Troupe furnished entertainment which consisted of several short skits. Tim Knapp crowned Alberta Smith the 1970 Winter Carnival Queen and she reigned as queen for the rest of the evening. Alberta and her escort, Doug Moon, had the honor of leading the Winter Carnival couples in a dance. The sophomore attendant, Terri Morris, was escorted by Luther Hayward. The court was completed by the junior attendant, Starmaine Hayward, who was escorted by Gary Williams that evening.

There's More Of Everything In Downtown Salisbury

Downtown Salisbury is the focal point of the Delmarva Peninsula's largest and most Progressive city. If the quest is for the selection of finest quality for all members of the family — Downtown Salisbury is your target. This is true for fashions, accessories, and fine footwear for ladies, men, boys and girls. Furniture and furnishings for the home are in abundance. Every facet of Banking, Legal and Medical professions are at hand. Food . . . from a snack to a full course meal is conveniently available. Parking facilities are conveniently located for your shopping pleasure. We're not modest — we're proud to say . . . there's more of everything in Downtown Salisbury.

OUR COMPLIMENTS TO THE CLASS OF 1970

We wish to extend our sincere congratulations for completing this vitally important step toward your future.

Whether your plans call for entering college or starting a career upon graduation from High School, the decisions you can make, may well be the most important of your entire lifetime.

As one of the leaders in Maryland's largest industries - the "Broiler-Fryer Industry" - we are taking the liberty of bringing to your attention, the fact that we too must plan for the future of our company and seek capable personnel, particularly those who can accept responsibility and are interested in a permanent future.

May we suggest that you contact one of the companies listed below and let them explain the many professions, trades and skills as they are employed in our industry. We offer a wide selection from which to choose - some require college training and others start with on-the-job training. We offer you a real opportunity right here on Delmarva. You may have read the book, "Acres of Diamonds," which relates many examples of persons who sought success in faraway places, only to learn years later the opportunity they were seeking was right at the place from which they had originally started. We suggest you look for your "Pot of Gold" right here on the "Good Ole' Eastern Sho'," FIRST - before looking elsewhere.

Here is a list of categories and careers that can offer you an opportunity for a sound future in our industry.

Accountants	Electricians
Administrative Managers	Feed Mill Operators
Auto Mechanics	Graduate Nurses
Bacteriologists	Hatcherymen
Bookkeepers	Maintenance Men
Broiler House Managers	Nutritionists
